THE MEADOWS

VILLA NOVA, PA.

Monday-

Dear Bessie

We all feel so
badly, that none of us
were able to get to Mary's
wedding - Mary and Elsie
were and are in Buffalo
and although I have not
left George Jr. for a moment
since his accident I did

Wishes to have driven
over with him in the
motor and looked us on
you all for a moment
but the weather put all
this plan to flight.

I am so sorry for I always
have been so fond of Mary
and should have had

love I have seen her as
a bride - George, too, wants
me to express his regrets
as he has every intention
of coming but could not
manage it at the last
moment -

I feel you will understand
that an accident such as

We have gone through is
very upsetting and demoral-
izing in many ways and
know how much we should
have been coming if it
could have been managed -
I am sending Mary a little
token from the family &
please explain to me how
sorry I am it had to come
so late.

With love & best wishes
Affectionately Yours
S. W. W. Packard
